

# Professionals training

## What do we offer?

### ***SHIELD training package***

Ideal for all professionals working with young people who wish to increase their knowledge of sexual health and feel more confident talking to young people about this topic.

## What does it cover?

Sex and the Law

Consent

Contraception

STIs

### ***Traffic Light Tool***

The Traffic Light Tool (TLT) training will give you a greater understanding of sexual behaviours, the ability to recognise unhealthy or harmful sexual behaviours and confidence in knowing how to identify, assess and respond to these behaviours. You will learn how to use the traffic light system to categorise sexual behaviours.

### ***Looking for something else?***

We can provide a range of bespoke training packages for your organisation, please contact us on the details below to discuss your requirements.

### ***Limited number of free places available!***
