Discussed timings and the possibility of shifting it to later in the day so that working people are able to attend in the evening or to set up on a Saturday. It was noted that Saturdays would be a lot more expensive to rent out a space.

Possibility of having someone who can advise on housing issues should anyone need that extra support.

Mindful of individuals with disabilities and ensuring venue and activities are suitable.

Coincide with a national day e.g. National Stress Awareness Day 01/11/2017 and promote on World Health day 06/04/2017.
