Professionals' Guide to Kent Support and Assistance Service

What is the Kent Support and Assistance Service (KSAS)?

KSAS is a discretionary local welfare service provided by Kent County Council (KCC). We offer crisis support to residents within KCC's boundaries.

Applicants should have exhausted all other support opportunities prior to applying (e.g. Budgeting Loans, Food Banks, etc.).

KSAS may help with food, energy, clothing, and furniture depending on circumstance and need.

You can help your client in crisis to apply via
